Opal Coffee
Specialty Green

HISTORY

Bumi means 'earth' in Indonesian. It is our take on a classic Indonesian profile. The coffees under Bumi taste profile have the same chocolatey, nice brown spices and sweetness that people like about Indonesian coffee but elevated with extra vibrancy and clean taste.

PRODUCER

Karana Global

LOCATION

COUNTRY
INDONESIA

REGION
**KINTAMANI,
BALI**

REGENCY

ALTITUDE
1,400 - 1,500 MASL
