## HISTORY

One of the four major estates in East Java near the Ijen volcanic area, the renowned Panoer Estate produces this remarkable coffee.

Established in 1894, this farm boasts a legendary history of constantly producing outstanding Indonesian coffee. Right now, 1,104 hectares make up their area. The current size is 1,104 hectares. This coffee undergoes a meticulous hand-picking process and is carefully washed before being placed on sun drying racks.
