## HISTORY

Kaliluni Factory is affiliated to Kaliluni F.C.S. as the only factory. Kaliluni F.C.S. is part of the larger umbrella organisation, the Machakos Co-operative Union, along with around 28 other F.C.S.s.

The Union offers the societies services that include coffee milling and marketing, training and the provision of farm inputs at subsidised prices. These benefits enable producers to bring in a great, high quality harvest at exactly the right time. The Union also offers a wide range of services, including transport, bookkeeping, accountancy and access to coffee seedlings.
